The image shows two screenshots of the SendGrid web interface. The top screenshot is the 'Let's Get Started' registration page. It features the SendGrid logo, a 'Sign up for free. No credit card required.' message, and a form with fields for 'Email Address' (sivakaranpr15@gmail.com), a checkbox for 'Use email address as username', and a 'Password' field. Below the form is a 'Create Account' button. To the right, a 'Try it out!' box lists features like automated drip campaigns, password resets, newsletters, receipts, delivery notifications, and promoted emails. The bottom screenshot is the login page, showing fields for 'Username' (sivakaranpr15@gmail.com) and 'Password', a 'Forgot your password?' link, and a 'Login' button. A link for 'Log in with single sign-on (SSO) instead' is also present. At the bottom, there is a link to 'Sign up now!' for users without a Twilio SendGrid account.
